TurnSafe

TurnSafe is an ergonomic and easy-to-use aid for sit-to-stand and transfers with turning. TurnSafe activates and supports users with impaired balance and strength in the legs during transfers from bed to wheelchair or from wheelchair to the toilet. TurnSafe features a large footplate with an anti-slip surface, adjustable height and lower leg supports which are adjustable both sideways and in height. These features, together with the stable and grip-friendly handles, enable the user to actively participate in the sit-to-stand and transfer.
