LIFT BBI

115/130/140

TECHNICAL FEATURES

MAXIMUM CAPACITY	360 Kg
WEIGHT	120 / 140 Kg
POWER	12 V - 24 V
MAX PRESSURE	140 Bar
LIFTING HEIGHT	920 mm.
SPEED UP (FULL LOAD)	5 M/MIN
SPEED DOWN (FULL LOAD)	4 M/MIN

SAFETY DEVICES

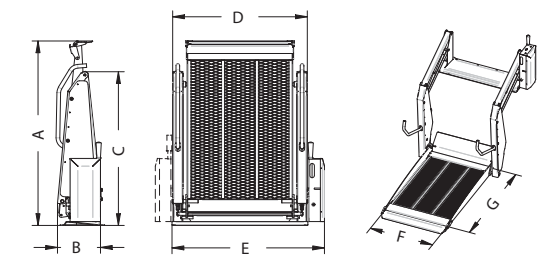

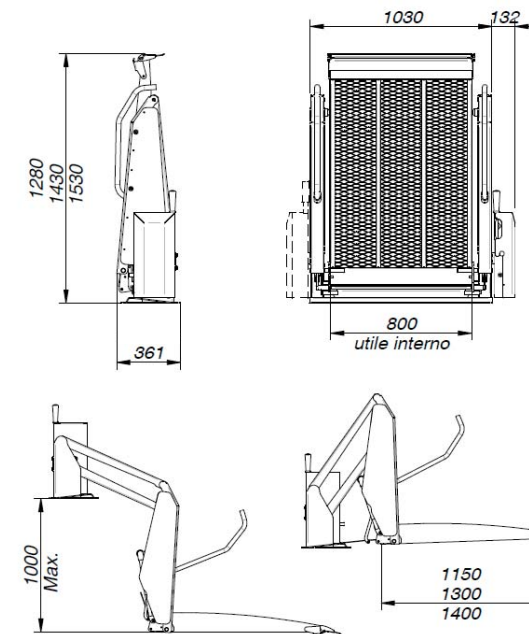

- Switch to detach battery with key.
- Manual operation in case of emergency.
- Automatic safety ramp to stop the wheelchair
- Pressure switch to prevent stowing when loaded.
- Anti-slip platform.

The double arm lift BBI, with one piece antislip platform, is completely automatic and has been designed and made to adapt medium/large sized commercial vehicles to be used for person transportation.

Left or right side mounted pumpstation can be chosen.

VEHICLE EXAMPLES:

Fiat Scudo, Fiat Ducato, Ford Transit, Iveco Daily, Opel Movano, Renault Traffic, Volkswagen Crafter Kombi.

SINGLE ARM

250

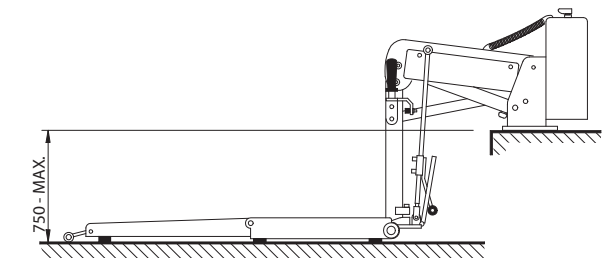

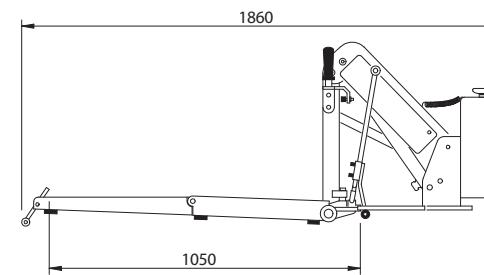

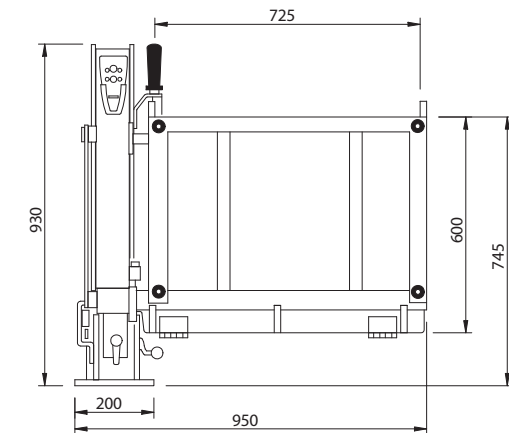

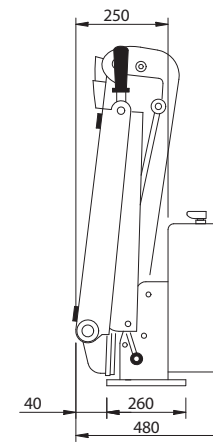

TECHNICAL FEATURES

LOADING CAPACITY	250 Kg
WEIGHT	75 Kg
ELECTRICAL SYSTEM	12 V
OPENING SPEED	6 SEC
CLOSING SPEED	10 SEC

SAFETY DEVICES

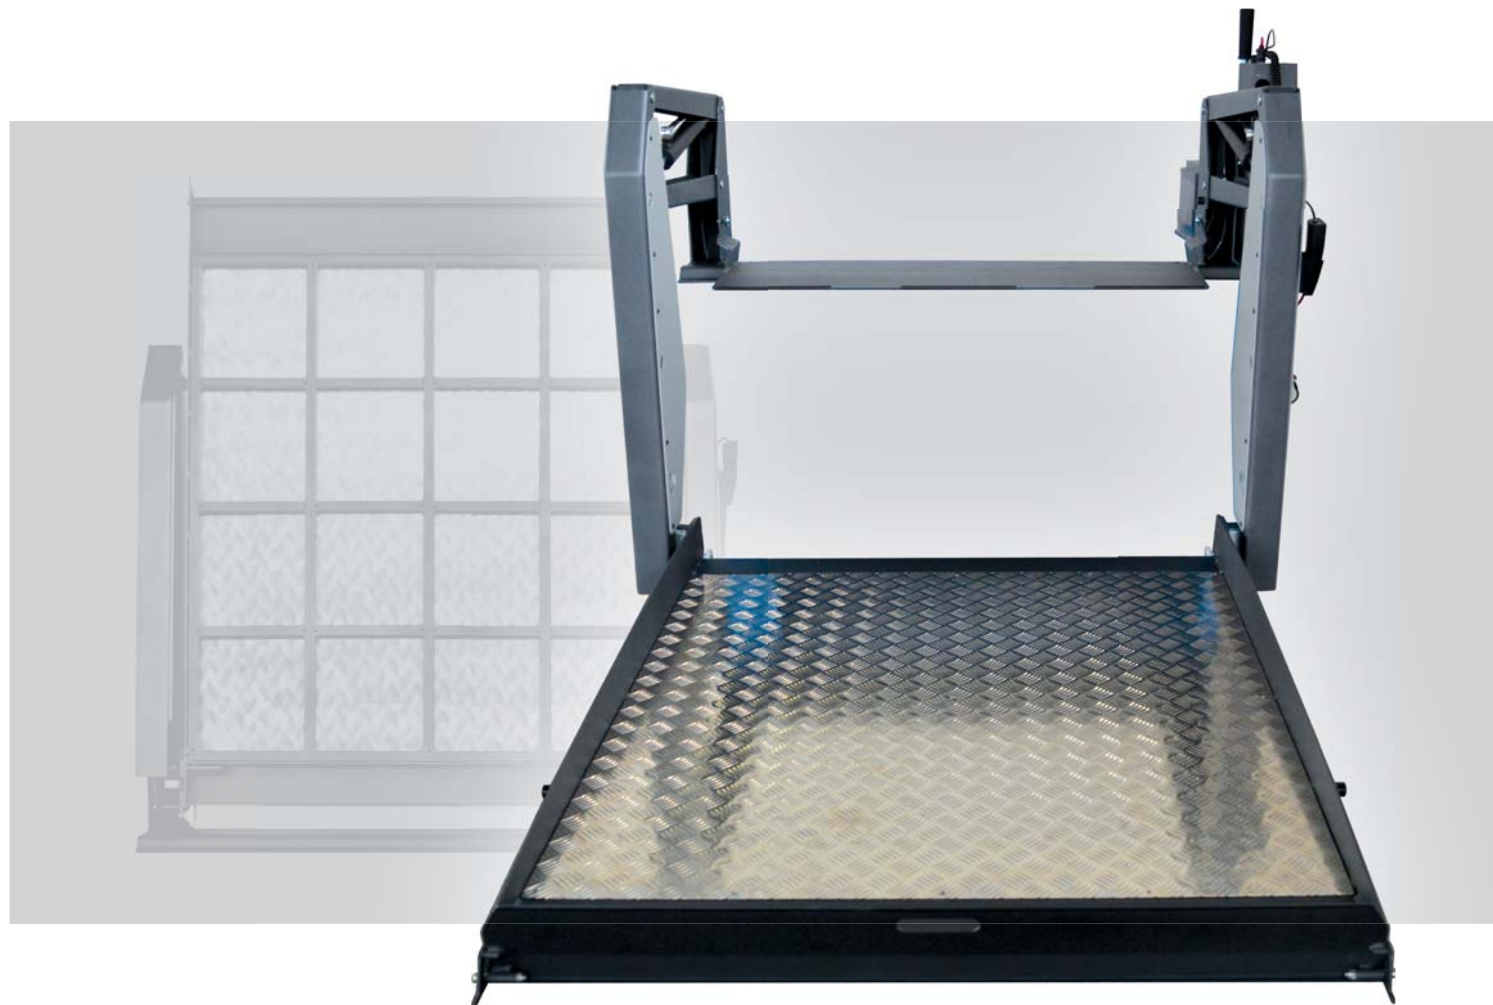

The Single Arm lift SA 250 is particularly recommended to adapt small vehicles thanks to its reduced dimensions.

- Lifting platform entirely in aluminium with anti-slip surface.
- Semiautomatic operation.
- Cabled remote control.
- Emergency lever for manual operation.
- Safety stopping plates.
- Anti-overturn safety device.

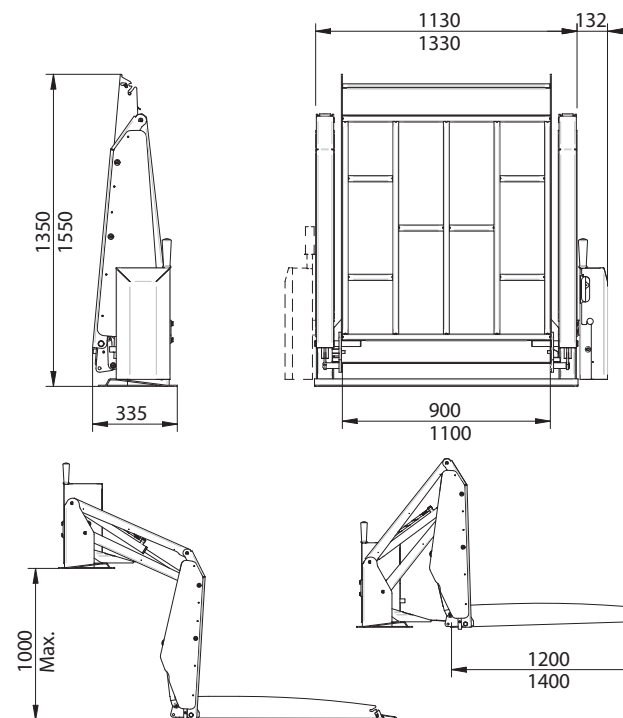

LIFT BBC

TECHNICAL FEATURES

MAXIMUM CAPACITY	500 Kg
WEIGHT	130/145 Kg
POWER	12 V - 24 V
MAX PRESSURE	140 Bar
LIFTING HEIGHT	920 mm.
SPEED UP (FULL LOAD)	5 M/MIN
SPEED DOWN (FULL LOAD)	4 M/MIN

SAFETY DEVICES

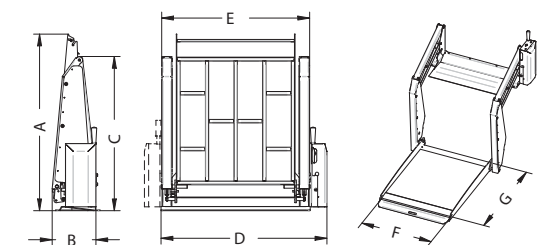

- Switch to detach battery with key.
- Manual operation in case of emergency.
- Pressure switch to prevent stowing when loaded.

The BBC range platform lifts have been conceived to make the goods handling easy during the loading/unloading of commercial vehicles. This range of double arm lifts can solve many lifting problems especially on vehicles where conventional loading devices cannot be installed. The BBC lifts have a strong and stable platform in patterned aluminium. There are 2 sizes available.

Left or right side mounted pumpstation can be chosen.

VEHICLE EXAMPLES:

Fiat Ducato, Iveco Daily, Opel Vivaro , Opel Movano, Renault Master, Renault Traffic.
